

Deferment of Summer Taxes

You may also qualify to defer payment without interest or penalty of Summer taxes on your principal residence through the last day of the following February, the same final date as Winter taxes. This [Form 471](#) must be filed prior to September 10 each year you wish to qualify for the deferment. The application must be approved or interest will accrue on outstanding Summer taxes due after September 10. The form is also available at our office.
