

Custom built in 2015 to serve Mackinac Island and the Straits area, Mackinac Marine Rescue is a 31' SAFEboat owned and operated by the City of Mackinac Island. The Marine Rescue crew consists of former and current Police, Fire, and EMS and other highly trained volunteers. From late night medivacs, to search and rescue missions, to assisting other agencies, Marine Rescue serves as a safe operating platform for any Straits area agency in need of water operations. Marine Rescue works and trains closely with U.S.C.G. Station Saint Ignace and U.S.C.G. Sector Sault Sainte Marie.
