

The City government consists of the Mayor and six City Council members who meet every other Wednesday. City Council members hold three year terms with two members up for election each May. The Mayor, City Clerk, Treasurer, Assessor and Supervisor positions are elected annually in May. Many Committees, Boards and Commissions are appointed by the Mayor annually with the approval of the City Council. The Mayor and City Council members adopt an annual budget at the end of March each year for the fiscal year, April 1 thru March 31.

All City meetings have resumed to in person attendance. However, if you wish to attend the meeting via Zoom, please see the [Meetings](#) page for specific meeting information.

City Council Agendas will be posted the Tuesday prior to the meetings and are subject to change without notice. Please note that agendas posted online may not be completely up to date or match those presented at the City Council meetings.
